2. LEARNING OUTCOMES

LEARNING OUTCOMES

The general objective of the course is to familiarize the students with the history and representative talent of film comedy from cinema's beginnings to the present.

Specifically, after completing the course the students will be able to:

- To describe the major stages in the history of film comedy and the major forms of film comedy.
- To identify the major representatives of film comedy (directors, scriptwriters, actors).
- To describe the differences between mainstream film comedy and art film comedy as well as the differences in various national cinemas.
- To relate film comedy to other arts (e.g. theater, literature).
- To appreciate the social dimension of film comedy.
- To describe the notion of 'the comic' and the ways through which it is produced
- To examine in depth and interpret specific films.
